I have and exercise a personal relationship with God through Jesus Christ.

Because I love my Lord and I believe that Bible Study is a most important growth tool in the lives of Christians, I will, unless providentially hindered, do the following:

1. Faithfully attend regularly scheduled worship services and special events/services, evangelistic outreach events, etc.

2. Attend scheduled leadership (teachers and officers) and planning meetings.

3. Personally prepare in order to effectively and efficiently prepare for the Sunday morning Bible Study sessions.

4. Enter the classroom each week prepared in heart, mind, and soul.

5. Build a class organization structured to grow the class and each member within the class.

6. Work with class Inreach/Outreach director and Care Group Leaders to see that absentees and visitors are contacted on a timely basis, ensuring ministry to class members and cultivate prospects.

7. Actively participate in the visitation and outreach program of our church.

8. Continue to grow in my Christian life and teaching/leadership abilities by participating in training opportunities.

9. Be faithful in tithing (giving 10% of my gross earnings) supporting God's Kingdom work through \_\_\_\_\_ Baptist Church.

10. Completely refrain from all behavioral conduct that would bring reproach to my Lord and my church.
